OSOCOR

R E S I D E N C E

A portrait of a chef, Maksim Melnik, in a kitchen setting. He is wearing a white chef's coat with a striped apron. The image has a blue tint. The chef is standing with his arms crossed, looking directly at the camera. The background shows kitchen equipment and a blurred interior.

I enjoy this unique gastronomic atmosphere in the restaurant.
I pay attention to every process and every single dish that
guest will taste. Philosophy of my team and residence is
simple – to create perfection in every detail.

Bon Appetite ©
chef Maksim Melnik

"OSOCOR RESIDENCE" is a totally new look at the canonized archetype of a popular kind of vacation. We created a unique space on the beautiful shore of the lake and the opportunity for everyone to escape from the bustle of the city at any time of year and in any weather.

On the residence's territory you can find a cozy hotel and cottage with private sauna, a restaurant with amazing views from the panoramic windows, a huge pool with a warm jacuzzi, an outdoor terrace in the open air.

For our little guests we have prepared a playroom and an outdoor playground.

Your kids can spend useful time and have fun under the reliable supervision of our baby-sitters
